## Jupiter Innovations Pte Ltd

### Company Description

Jupiter Innovations Pte Ltd offers innovative and technologically driven applications to corporations in Singapore and around the world. Our expertise lies in the areas of Web-based Rich Media Communications, voice-over-internet (VOIP) solutions, workflow management, and e-learning solutions. The company, founded in 2002, has its HQ in Singapore with branch offices in Thailand and Brunei. Though a relatively newly set up company, its CEO and directors have vast numbers of years of IT experience, working in multinational companies both locally and overseas.
